REMARKS

In the Notice of Allowability, pending claim 37 was not indicated as being allowed. It appears that this was an oversight, as pending claim 37 is also not indicated as being rejected. Pending claim 37 depends from allowed claim 48, and Applicant respectfully submits that claim 37 is likewise allowable at least because of its dependency on claim 48. Applicant respectfully requests that claim 37 be included in the Notice of Allowability and issued with the remaining pending claims.
